Attach the torch to jeans, backpacks and

ttach the torch to jeans, backpacks and more with ease

250 Lumen adjustable torch for versatile use

The OSRAM LEDinspect™ TORCH 250 ESSENTIAL is a versatile and durable LED torch designed for both professional and everyday use. With its robust aluminium construction, this torch is built to withstand tough conditions while remaining lightweight and easy to carry.

Offering 250 lumens on High, the adjustable focus allows you to switch between a wide floodlight or a precise spotlight with a simple twist of the head. Three lighting modes – High, Low, and Flash – provide flexibility for various situations, from detailed inspections to emergency

Designed for convenience, the built-in pocket clip keeps the torch securely within reach, while the IP44 rating ensures protection against dust and water splashes. Powered by 2x AAA batteries, it delivers up to 2 hours of runtime on High and an extended 6 hours on Low, making it an essential tool for workshops, garages, and on-the-go use.
