#### Product family datasheet

# LEDinspect TORCH 450 ESSENTIAL

Bright LED output 450 Lumen output to illuminate the dark effortlessly

3x AAA Batteries included Includes the replaceable AAA batteries required

OSRAM

**Ergonomic grip** For comfortable holding during use

#### 450 Lumen adjustable torch for versatile use

The OSRAM LEDinspect<sup>™</sup> TORCH 450 ESSENTIAL is a compact yet powerful LED torch, designed for professional and everyday use. Crafted from lightweight aluminium with a rubber grip handle, it offers durability and a comfortable, hold, making it ideal for workshops, garages, and outdoor activities.

With a bright 450-lumen output on High, this torch provides exceptional visibility, while the adjustable focus lets you switch between a wide flood beam and a precise spotlight with a simple twist of the head. It features three versatile lighting modes – High, Low, and Flash – to suit different needs.

Built to withstand tough conditions, the IP44 rating ensures resistance against dust and water splashes. Powered by 3x AAA batteries (included), it delivers up to 2.5 hours of runtime on High and an impressive 17 hours on Low, providing long-lasting illumination when you need it most.
