

# LEDinspect PRO TORCH 500

Up to 370m beam
See further thanks to LED technology and adjustable beam focus

Bright LED output 500 Lumen output to illuminate the dark effortlessly

4 light levels
Extend the run time up to 12
hours with power saving
modes plus emergency flash

Rechargeable
Recharge quickly via USB-C
cable (included)

## Rugged, durable, and precise flashlight with 500 Lumen illumination

The OSRAM LEDinspect<sup>™</sup> PRO TORCH 500 is a premium LED torch engineered for professionals who demand high-performance lighting in a durable and ergonomic design. Made from robust aluminium with a rubber grip handle, it offers both strength and comfort, ensuring great hold for extended use.

Featuring 500 lumens on High, this torch delivers powerful, precise illumination, enhanced by its zoom function, allowing you to switch between a wide flood beam and a focused spotlight with ease. The advanced high-powered LED technology ensures brightness and efficiency across its four lighting modes – High, Mid, Low, and Flash – making it adaptable to various tasks and environments.

Designed for reliability in demanding conditions, its IP44 rating protects against dust and water splashes, making it suitable for indoor and outdoor use. Powered by a 2000mAh Li-ion rechargeable battery, it provides up to 3 hours of runtime on High, 4 hours on Mid, and an extended 12 hours on Low, with a fast 3-4 hour charge time to keep you working without delays.
