## Light is versatile

This high-quality inspection light from OSRAM is perfect for professional and private use. With three light functions high with up to 200lm, low with up to 80lm and torch function with up to 40lm - there is the right light output for the task at hand. The compact design combined with multiangle positioning -180° flex and 360° rotation- gives maximum flexibility and adjustability to give light exactly where needed. The integrated charge indicator shows the charging status of the rechargeable battery - up to 1,5 h operating time for high power or up to 3h for low power. This inspection light also contains magnets for hands-free work and easy attachment and is therefore ideal as a light for manual activities, car repairs and in everyday life. In addition, OSRAM grants a 2-year guarantee on this
