Premium Universal Wiper Blades for Streak-Free Windscreen Clarity

Meet the ultimate all-weather WIPERblade BETTER SIGHT Conventional Wiper Blades from OSRAM designed to keep your windscreen clear, quiet and streak-free in every season. Each blade features third-generation Nano-Tech composite rubber, which stays flexible from freezing mornings to scorching afternoons, delivering a crisp, even wipe that leaves no trace behind. A high-carbon steel flexor inlay hugs curved glass, applying consistent pressure across the entire sweep, for uniform clarity on every pass. The full stainless-steel frame is vented and finished with an integrated spoiler that cuts through oncoming airflow, preventing wind lift and damping noise for whisper-quiet performance even at motorway speeds. Installation is equally refined: OSRAM's multi-fit universal clip snaps onto the five most common wiper-arm types without tools,
