

COOL BLUE INTENSE (NEXT GEN)

Extra white light for LED look

Extra white light for stylish LED look

Up to 4,000 Kelvin

High contrast and brilliantly white light for most stylish and modern look on the road

The extra white light with up to 4,000 K

COOL BLUE INTENSE signal lamps stand out through their stylish appearance. Their bluish-white light with a color temperature up to 4,000 K provides a cool xenon-like look. The lamps can be used for number plate lights as well as for position and parking lights.
