# LEDsBIKE RACE 100 SET

# **OSRAM**

Luminosity up to 100 Lux

The powerful LED technology provides wide illumination of up to 100 meters

Usage time up to 13 hours<sup>1)</sup>

Ideal for long bike rides or commutes without having to worry about recharging

Automatic mode

The integrated brightness sensor automatically adjusts the light intensity to the ambient light

Rear light inclusive brake light function For greater visibility in road

traffic

#### Your light, your ride, your safety!

Discover the LEDsBIKE RACE 100 SET, the new highlight for all cycling enthusiasts, which takes visibility and versatility to a new level. With multiple lighting modes-automatic and manual-and three brightness levels (100%, 50%, and 25% brightness), the front light adapts perfectly to any environment. It provides powerful illumination with 100 lux and a range of up to 100 meters. The display always informs you about the selected mode and the current light intensity. With a battery life of up to 13 hours<sup>1)</sup>, it is ideal for long journeys or commutes without having to worry about recharging. A special highlight is the rear light with intelligent brake light function, which increases both visibility and safety in road traffic. The toolfree 360-degree mounting allows for quick and easy installation, making the LEDsBIKE RACE 100 SET an ideal companion for every cyclist. The included USB-C cable ensures convenient charging of the lithium-ion battery, while the battery and charging indicator keep you informed of the current status. The battery of the front light can be fully charged within 3 hours. The rear light only takes 2.5 hours to charge. The high-quality construction, including an aluminum heat sink, black ABS housing, and transparent polycarbonate lens, promises durability and reliability. It complies with German road traffic regulations (StVZO) and has the K-marking. With IP44 certification, it is protected against water so that you are safe on the road even in bad weather. OSRAM offers a 2-year guarantee on all

LEDsBIKE RACE bicycle lights<sup>2)</sup>.
